The **name** of the Association will be **Guildford Twinning Association**.

Clause 2 - **OBJECTS**

The aims of the Association shall be to promote international friendship and understanding:

- by strengthening by all possible means the links formed by Guildford and Freiburg;
- **by stimulating and fostering mutual exchanges at all levels between the peoples of the two districts;**
- **by doing the same in relation to any other town with which Guildford becomes formally twinned, to the extent practicable;** and
- by organizing fund-raising activities to support the objects of the Association.

- * Explanatory note: The Committee proposes these changes to the Constitution in order to enable us to support, so far as practicable, any additional town twinning which Guildford may formally enter into. We would then be open to promoting "international friendship and understanding", as our Objects say, with any other twin town.
